Enjoy a Faster, Easier  
Banking Experience With Foreign  
Currency Swift Transfers

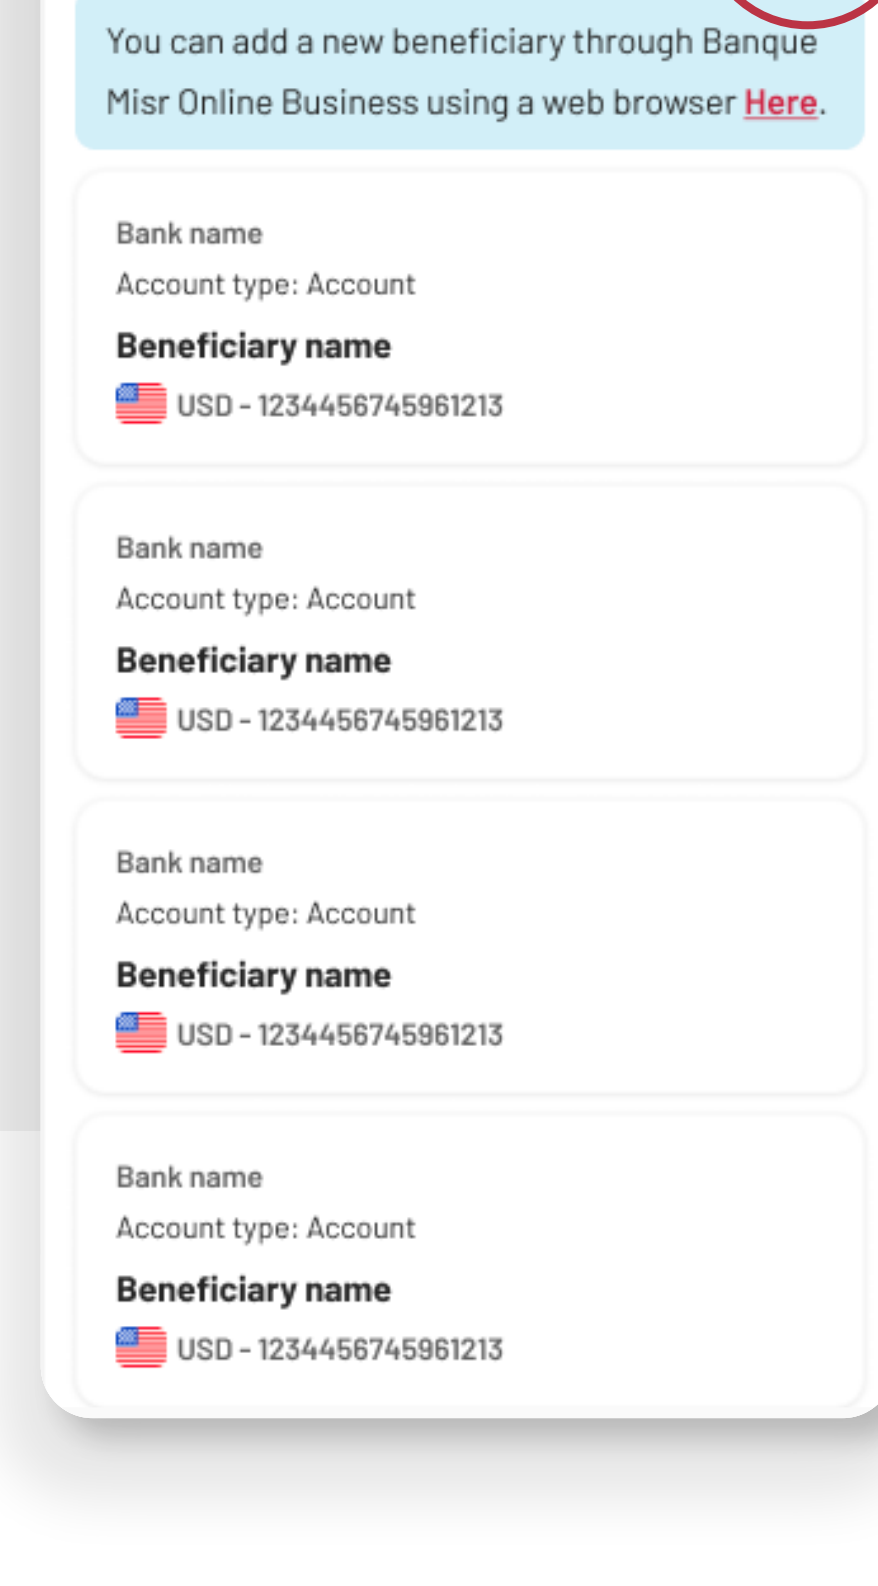

Swift Transfers in Foreign Currency Now With  
Easy, Fast , Secure Steps Anytime , Anywhere

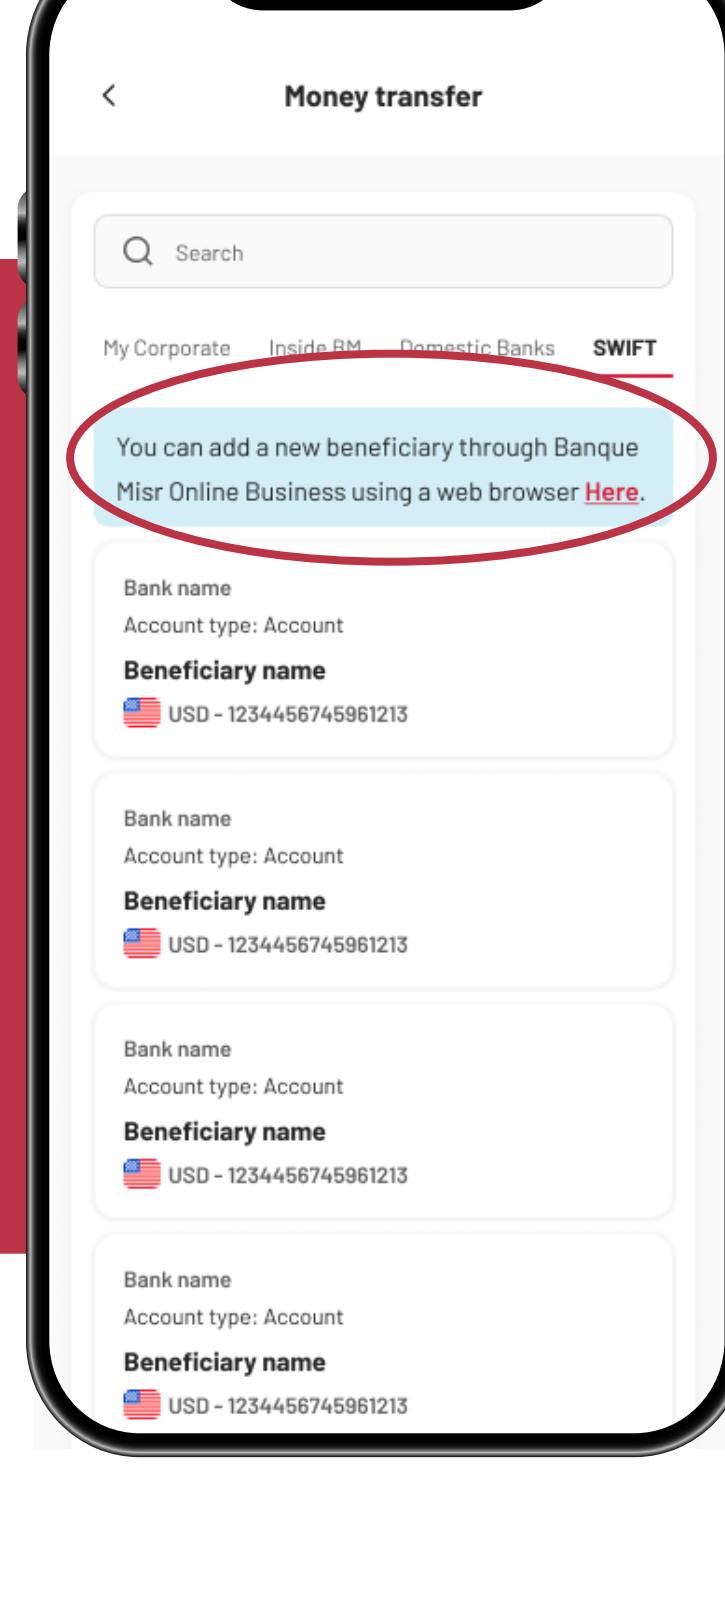

From the Home Screen,  
Select "Transfer "

From the Transfers menu,  
Select "Money Transfer "

From the money Transfers  
menu, Select " Swift Transfer "

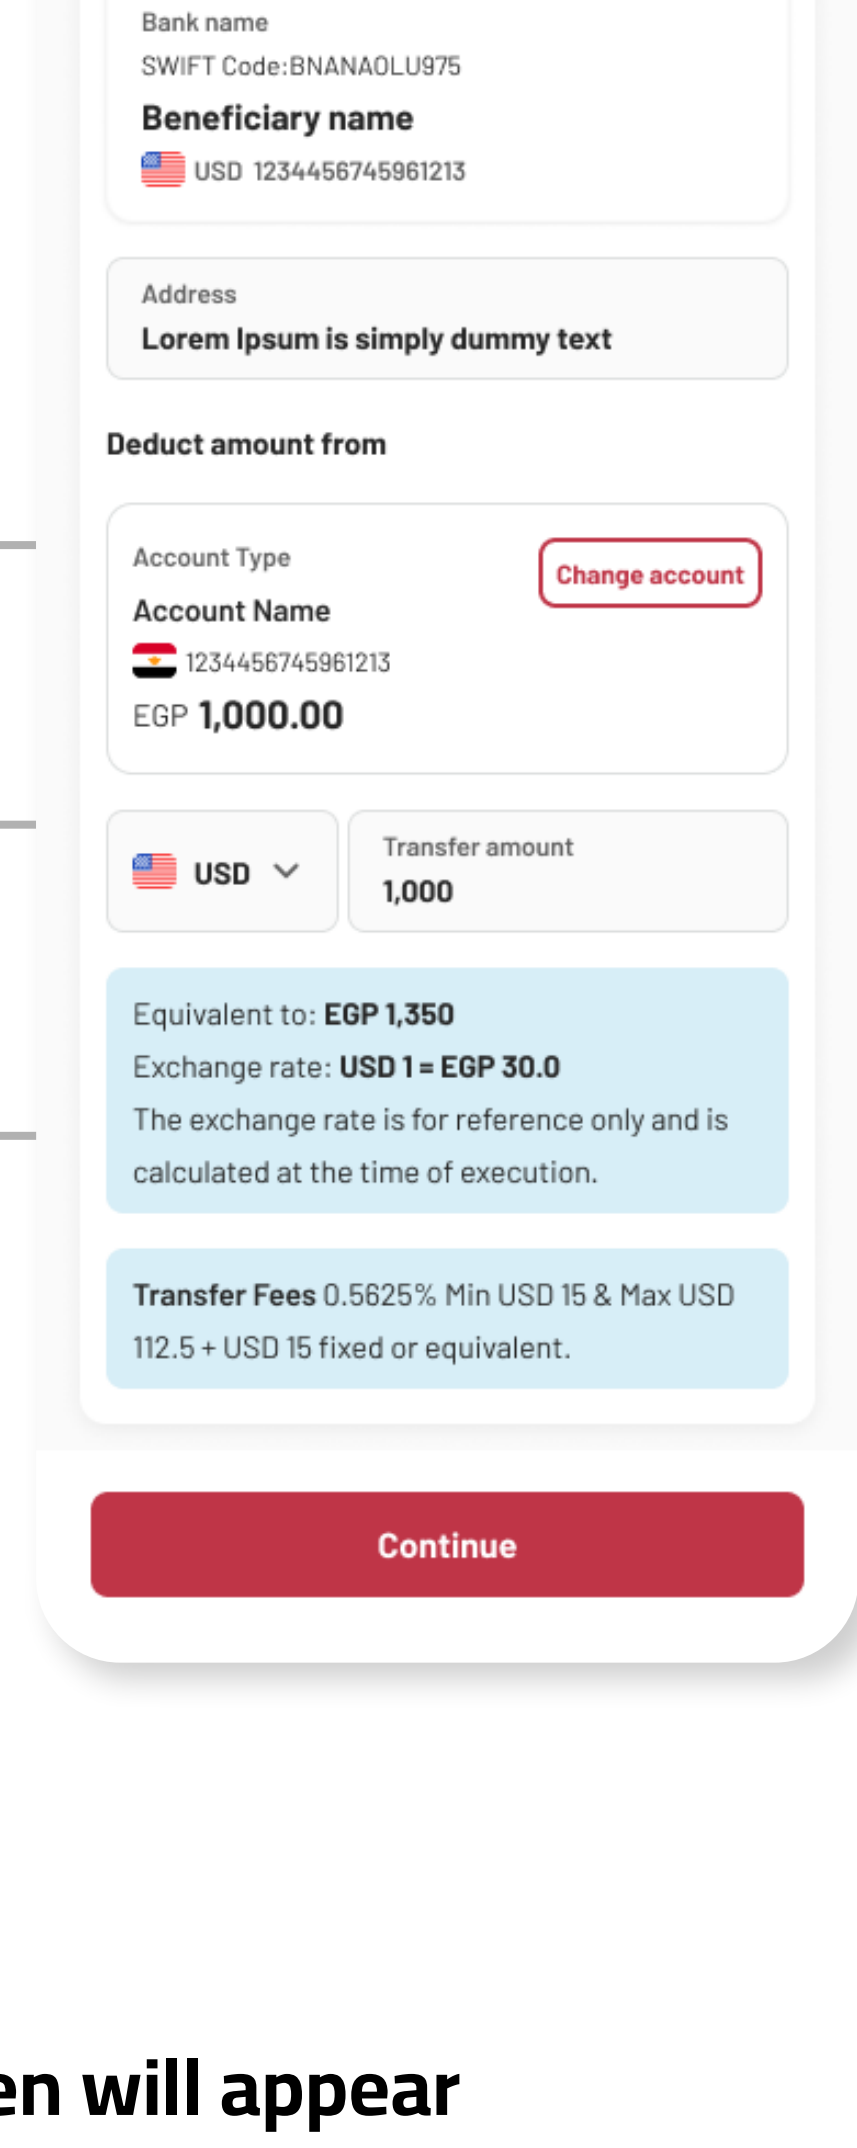

A list of your previously saved Beneficiaries will  
Appear

If no beneficiaries are previously saved, the  
"swift transfer" transfer option will not appear.  
Beneficiaries can be added through  
BM Online Business Web.

After selecting the beneficiary, the transfer screen will appear

- You can add or edit the beneficiary's address
- Choose the account you want to transfer from
- Enter the transfer amount
- select the currency type
- choose the Required currency
- Transfer fee details will appear

Continue

The Transfer detail screen will appear

- Select who will cover the transfer fees.
- Select the reason of transfer.
- Enter a detailed description of the transfer reason

Note: Both the reason and detailed  
description are mandatory to complete the transfer

If you have a preferred intermediary bank,  
please specify :

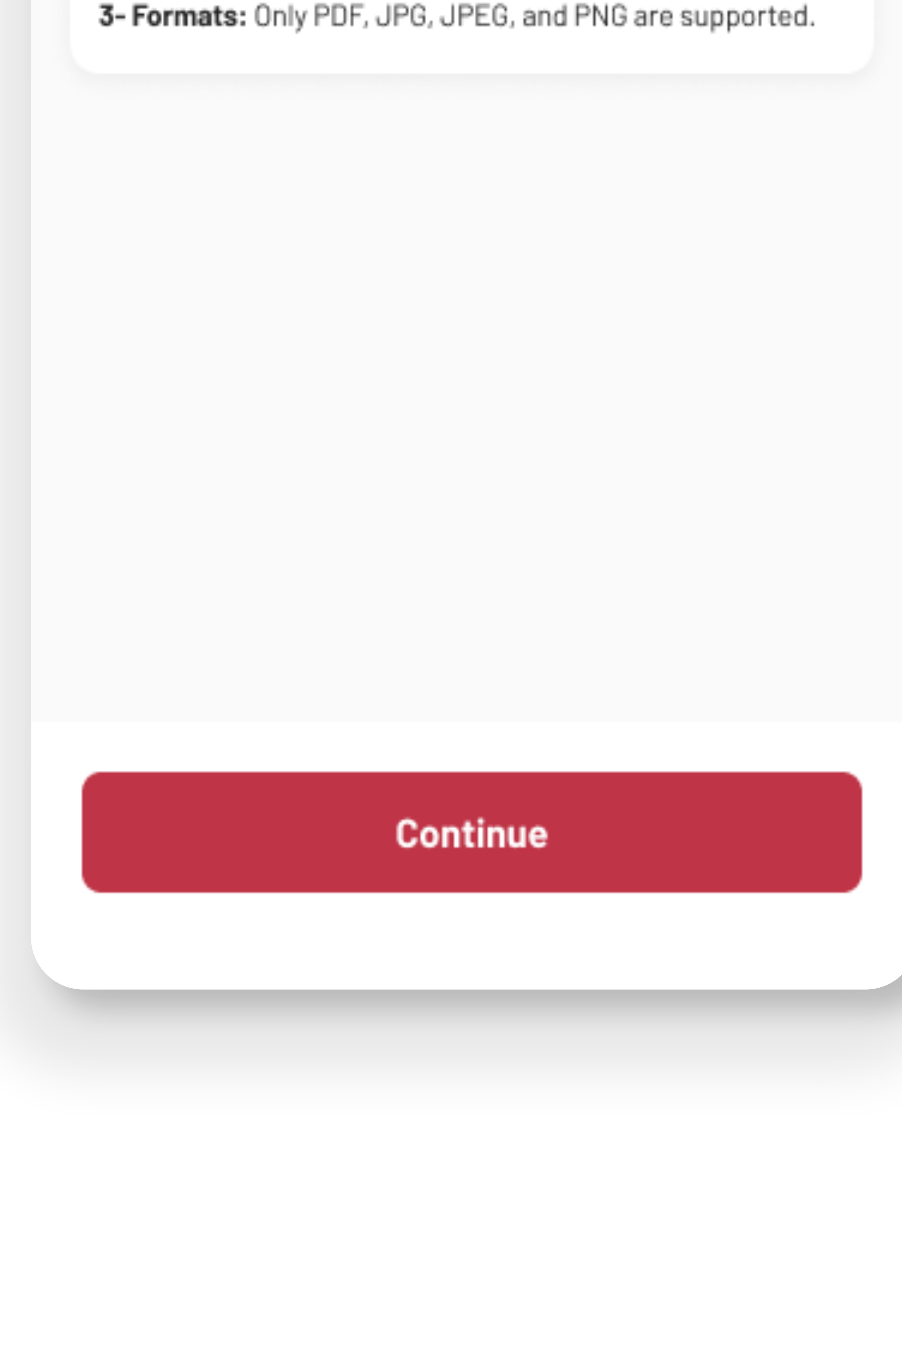

- Country
- Bank Name

Continue

The Upload File Screen will appear

- Upload all supporting documents related to  
the transfer

Make sure you follow the upload guidelines  
(File size, file name, and file format)

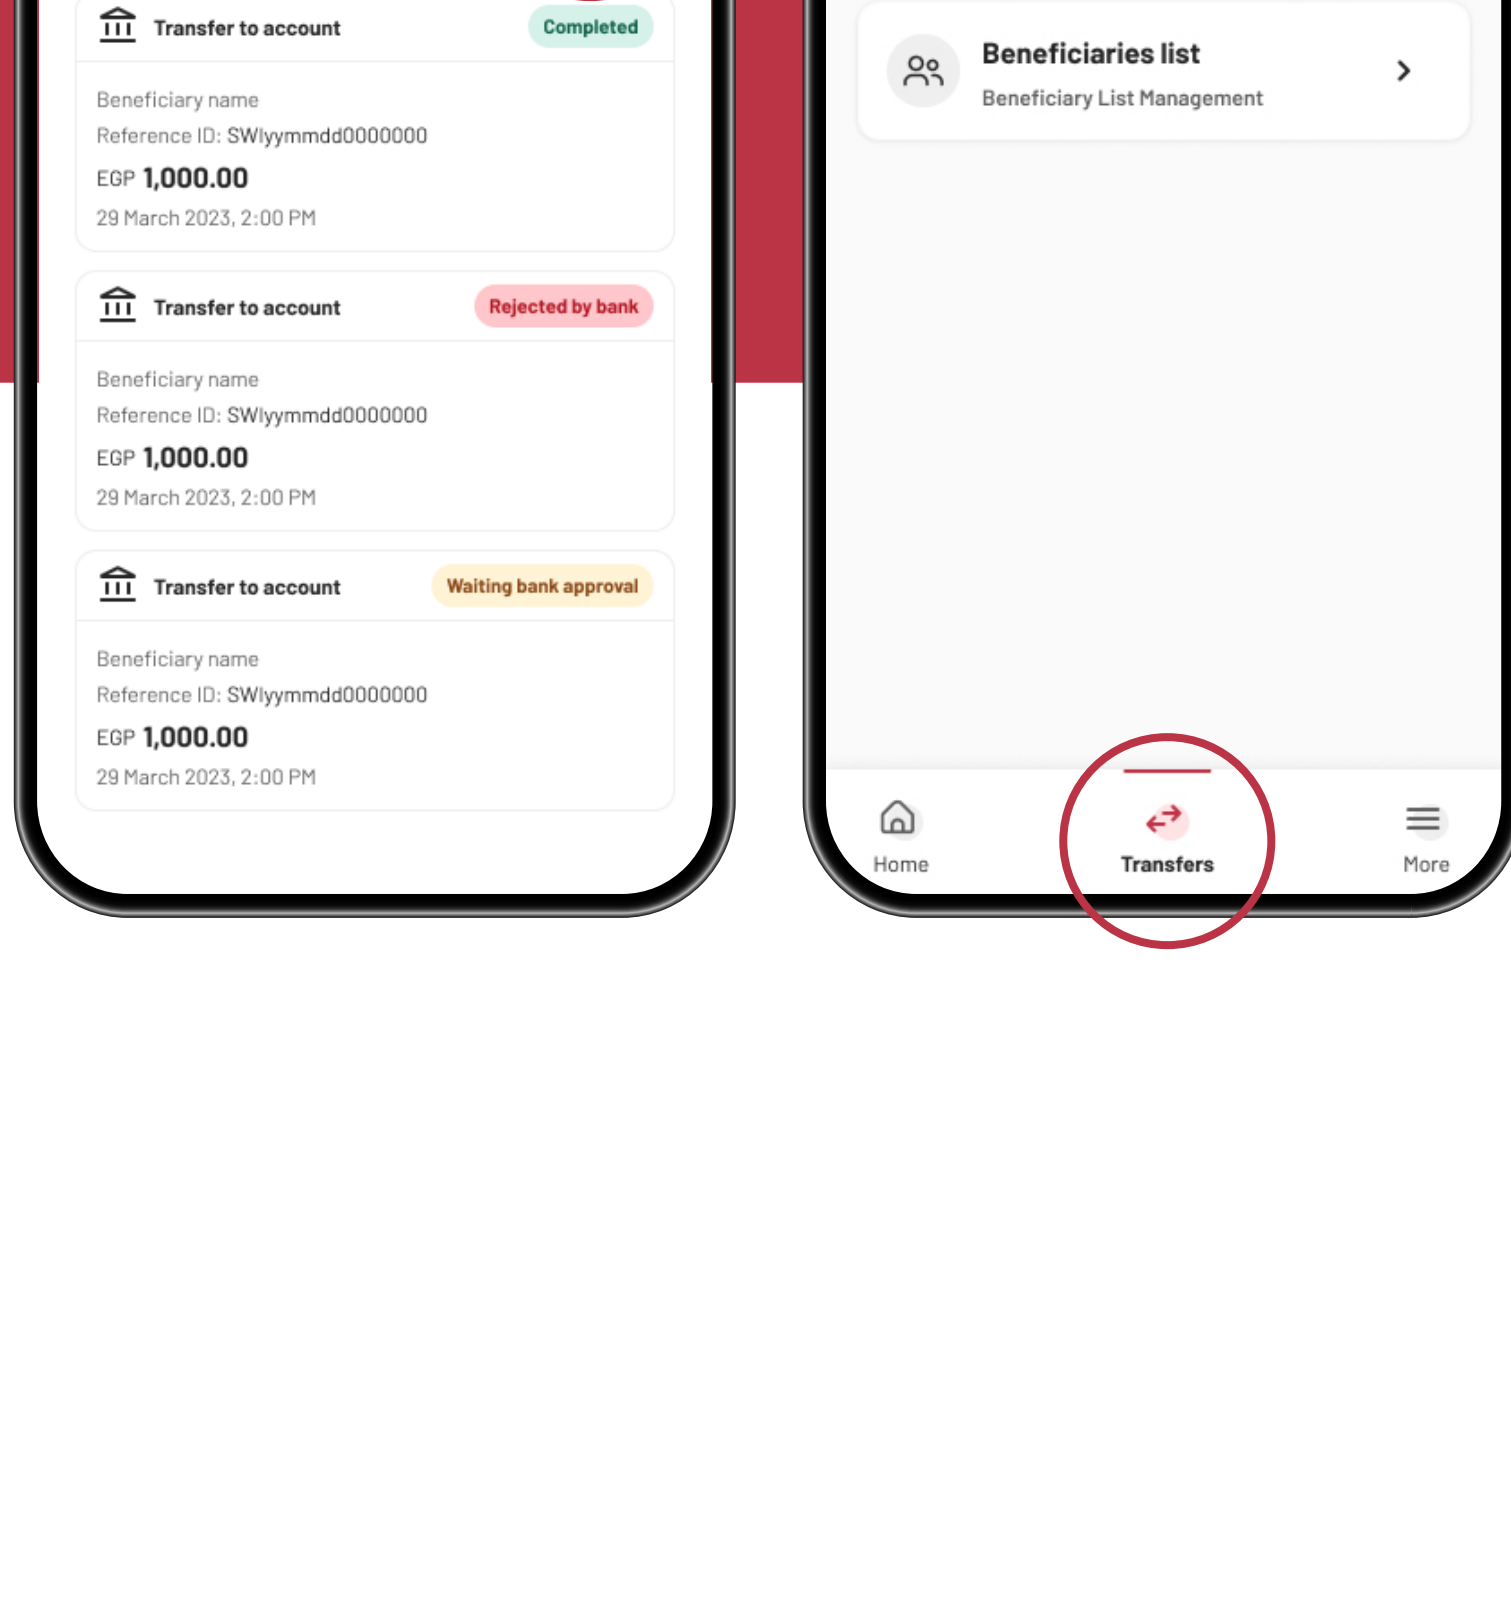

The Review Screen will appear

Review all transfer details carefully.

Transfer now

Enter the OTP code from  
BM Soft Token

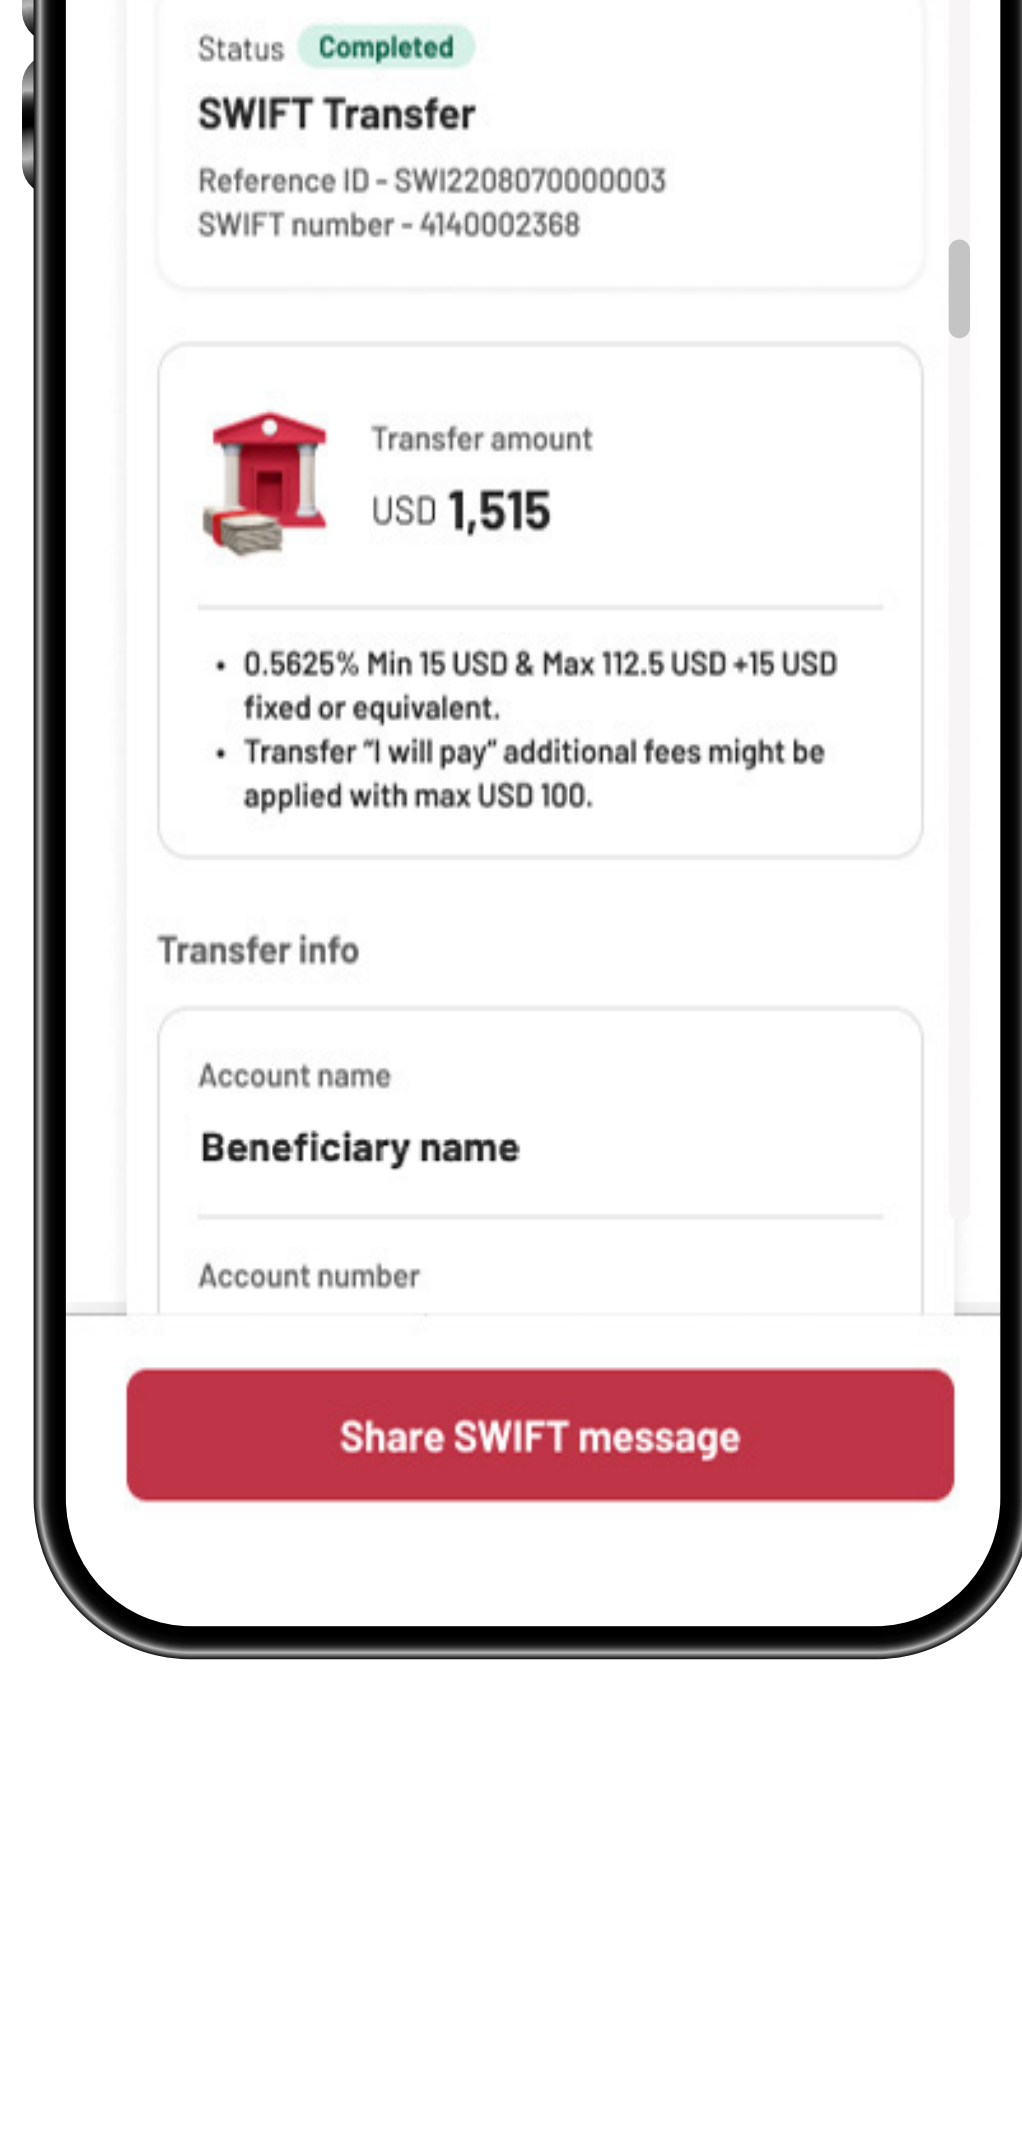

A confirmation screen will  
appear once the request is  
submitted successfully and is  
pending bank approval
