login

Welcome Mr. Mohamed Emam

It is time to change your Signon and/or Transaction Password, you need to change it right now. After you have changed your password, you can continue.

Password Policy

Password must meet the following requirements:

1. The password cannot consist of all the characters are as in your Username. For e.g. If your Username is "Bob", then your password cannot be "Bobby".
2. The Password should contain atleast one of these special character from the set (\$, #, ^, @, &, %). Usually, the character you get when you type in while keeping the "SHIFT" button pressed along with a number. For e.g. "# (SHIFT 3)".
3. Spaces are not allowed in the password.
4. The Password should contain a minimum of 8 characters and a maximum of 25 characters
5. Your new password cannot be the same as any of your previous 10 password(s).
6. The sequence 1234 or abcd is not allowed in password.
7. The Characters should not be repeated more than four times continuously in the password.

Password*

New Password*

Retype New Password*

I have read and accept the Terms and Conditions

SUBMIT

- After changing the default password, the user has to accept terms and conditions.

- The representative screen is as follows:

In these conditions the following words and expressions have the following meanings: "account" means any current or savings account or credit card with us which is either in your own name or held jointly with somebody else; "card reader" means a hand-held device provided to you to use with your card which works independently of your PC. "customer number" means the 10 digit number we give you which lets you use our Internet Banking service; "Passnumber" means the 6 digit number you use to authenticate your identity before you can use our Internet Banking service; "memorable data" means your personal memorable data which we can use to check your identity; "Internet Banking" means using the Internet to manage your finances; "our/us/we" means Nationwide Building Society; "Security data" means your customer number, memorable data, passnumber and/or card reader generated passcode; "you/your" means the person(s) registered for our Internet Banking service.

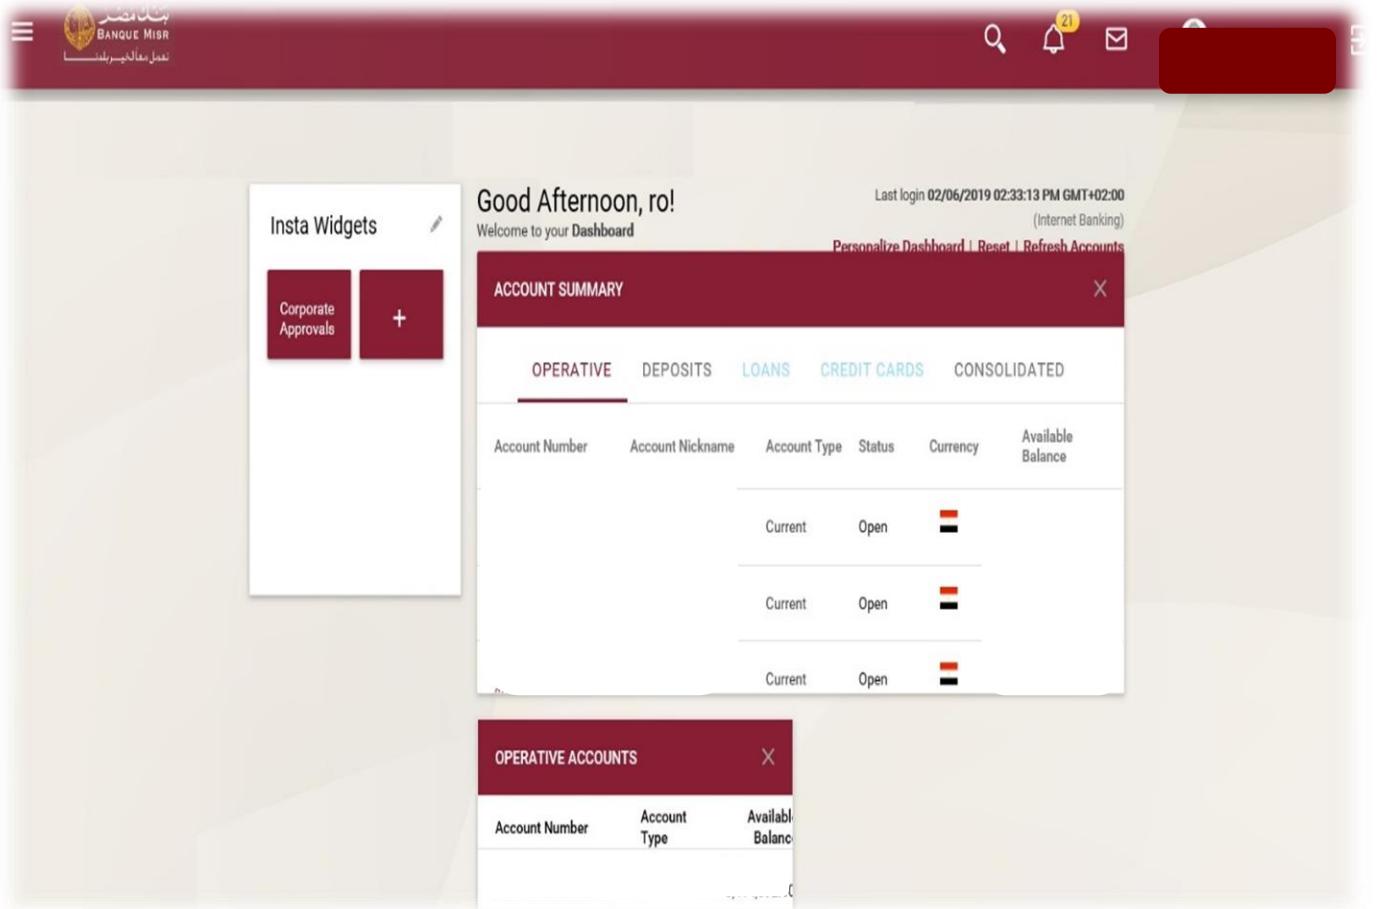

DISAGREE

AGREE

- User has to agree to these conditions, by clicking on 'Agree' button at the end of the page. After that user will be directed to the application's dashboard.

The Dashboard page in the application displays certain widgets to the users which are essentially used to display user specific information to the user after logging into the application. Users will have an option to select and deselect widgets from their dashboard to achieve personalization based on the widget library maintained.

Dashboard

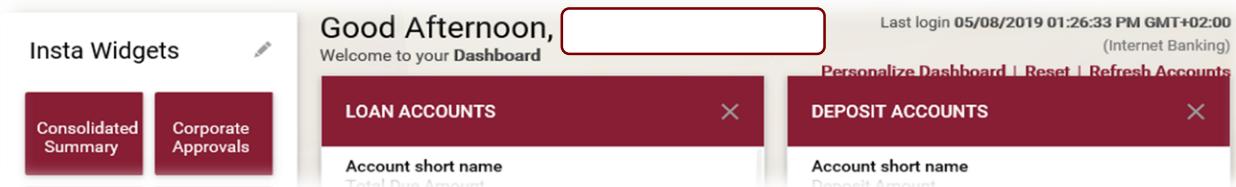

- The Dashboard screen can primarily be divided into following parts :
- Header bar: This section is constant throughout the internet banking application and contain the below elements:

- Burger Menu: On the mouse click on this, application will display menu options or functionalities associated with the main functionality as a dropdown.
- Main Screen: This section includes tasks, that can be performed by the user.

- Footer bar: This section is constant throughout the internet banking application and will be visible at the end of page the internet banking session. This includes static contents, hyperlinks for contacts etc.

Dashboard

- **Account Summary Widget**

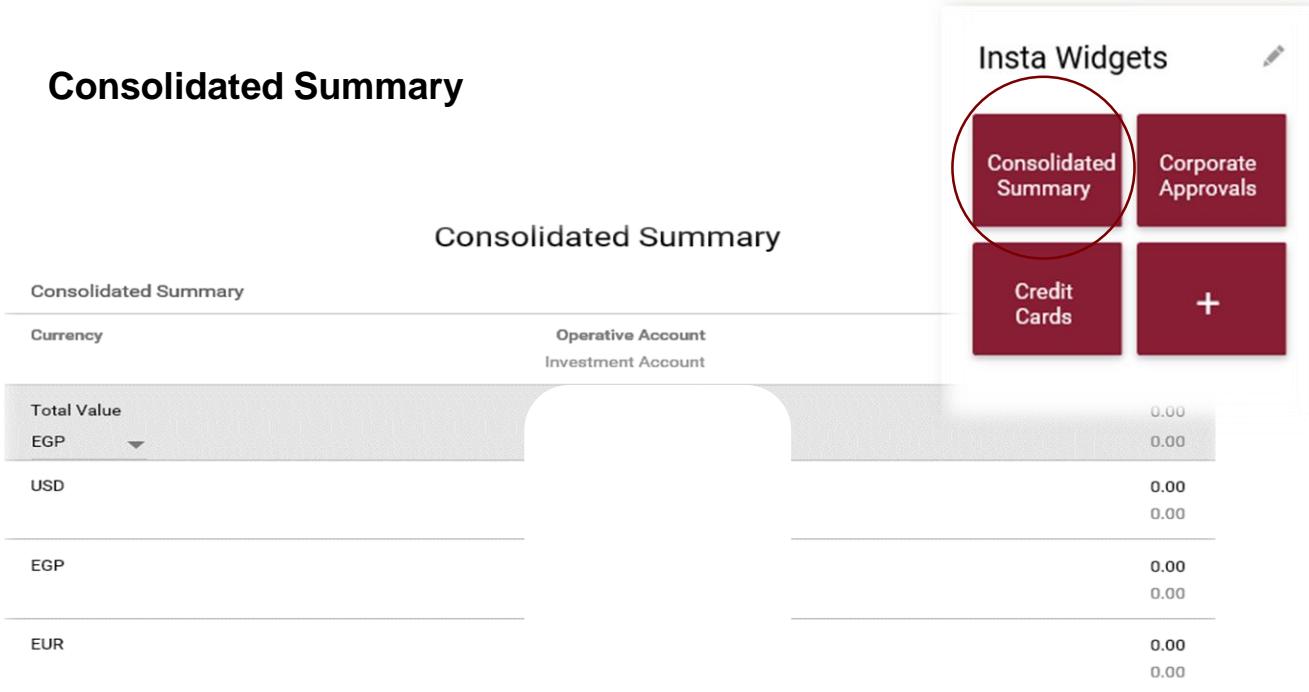

The screenshot shows the BM Online Business dashboard. At the top, there is a header with the Banque Misr logo, a search bar, a notification bell with 22 notifications, and an envelope icon. The main content area has a title "Good Afternoon, ro!" and a sub-header "Welcome to your Dashboard". To the right, there is a message "Last login 02/06/2019 04:46:39 PM GMT+02:00 (Internet Banking)" and links to "Personalize Dashboard", "Reset", and "Refresh Accounts". Below this, there is a "ACCOUNT SUMMARY" section with tabs for "OPERATIVE", "DEPOSITS", "LOANS", "CREDIT CARDS", and "CONSOLIDATED". The "OPERATIVE" tab is selected. The table below shows account details:

Account Number	Account Nickname	Account Type	Status	Currency	Available Balance
Current	Open	Not Available			
Current	Open	Not Available			
Current	Open	Not Available			

- The widget displays summary for all the Accounts held by the User.

- **Consolidated Summary**

The screenshot shows the BM Online Business dashboard. On the left, there is a "Consolidated Summary" section with a "Currency" dropdown set to "EGP". To the right, there is a "Insta Widgets" section with four cards: "Consolidated Summary" (circled in red), "Corporate Approvals", "Credit Cards", and a "+" button. The "Consolidated Summary" card displays currency conversion rates:

Currency	Operative Account	Investment Account
EGP	0.00	0.00
USD	0.00	0.00
EGP	0.00	0.00
EUR	0.00	0.00

- The widget displays summary total for all Accounts in multiply currencies.
